## EXPERIENCE

---

### YALE-NUS INTERNATIONAL RELATIONS & POLITICAL ASSOCIATION Co-founder & President

- Coordinated inaugural panel of speakers representing eight different career paths to better educate and counsel over 30 members on unique career opportunities related to public diplomacy.
- Initiated seminar to inform club members on successful tactics for writing resumes and cover letters, increasing student levels of knowledge and confidence to pursue competitive internships.
- Collaborated with six executive board members to coordinate a year-long mentorship program for about 70 club members and to disseminate weekly newsletters to streamline communications.

**Singapore**  
**2013 - Present**

### SAMSUNG ELECTRONICS

#### Global Launching Strategy Team Intern

- Led cross-functional team to produce a video project of techniques to sales representatives in Southeast Asia by writing a script, producing the content, and preparing a presentation.
- Developed design concepts, product mottos, and copyrighted descriptions to endorse the upcoming line of Flat Panel TVs by designing new product sales guides and training packets.
- Assessed market opportunities for 120Hz technology and initiated various research projects on our competitors' products to create benchmarking spreadsheets to senior managers.

**Seoul, Korea**  
**June – July 2015**

### MILLWARD BROWN

#### Marketing Intern

- Launched more than ten integrated marketing campaigns targeting manufacturing, increasing social media activity by over 500% in two months.
- Collaborated with top female automotive executives to recruit more women to engineering careers by spearheading informational events on multiple college campuses in the region.
- Developed an improved process flow to effectively manage a database of over 6000 contacts, successfully decreasing margin of error in working with our colleagues in India.

**Singapore**  
**June – Aug 2014**

### CARING FOR CAMBODIA

#### Classroom Assistant

- Motivated underachieving students in a rural village to pursue higher education by offering more than 75 hours of classroom instruction to increase grade point averages for over 60 students.
- Implemented the first-ever afterschool program to introduce new cultural experiences to over 40 students in a low-income community, thereby building a greater appreciation of diversity.

**Siem Reap, Cambodia**  
**May 2014**
