CENTRE FOR INTERNATIONAL & PROFESSIONAL EXPERIENCE

Greetings from CIPE,

Welcome back! I hope you had a marvelous break that re-energized your mind and soul. 2017 promises to be an amazing year at the College and all of us at CIPE are looking forward to what it holds in store. The semester is off to a rapid start and we have so much going on already that we are breaking with our habit of fortnightly newsletters and are sending out one this week and another one next.

Summer seems like a long time away but we are already thinking about it. Check below to learn about different ideas and deadlines for summer programmes. You'll also find some other very appealing opportunities coming up this semester in the leadership certificate programme or the chance to spend the February break doing research in botanical art history at Oak Spring Garden Foundation, one of the world's most beautiful estate gardens.

I also suggest you take a look at some of our upcoming events: interested in the Chinese art market, Southeast Asian emerging markets, the values of progressive companies, new perspectives on poverty alleviation? We have some great speakers in those areas. As always, there are talks and workshops offering very useful career advice. And don't forget about fellowships. Even if you aren't thinking about applying for one soon, it's worth hearing about what opportunities you might be eligible for so you can keep it in mind and help you with planning later.

It's great to be back. We hope to see you at a CIPE event soon.

Cheers,
Trisha Craig
Dean of CIPE

The [Oak Spring Garden Foundation](http://www.osgf.org) (OSGF) is seeking two students to pursue one-week research projects in botanical art history during the Yale-NUS Recess Week (18 – 26 February 2017). Travel to Oak Spring will be covered, and food and accommodation will be provided on the Oak Spring estate. The Oak Spring estate is located in a beautiful part of rural northern Virginia, 45 minutes west of Dulles International Airport close to Washington DC, USA.

Excellent written communication skills are essential.

Successful applicants will be highly motivated and capable of independent research, both online and in the Oak Spring Library. Excellent interpersonal skills, and an ability to work as part of a highly collegial team will also be a key consideration in the selection process.

Interested? Please email Nayoung Won (nayoung.won@yale-nus.edu.sg) to indicate interest and work with her to submit a strong application (a one-page resume and a brief cover letter outlining your interest in the position). **Final applications must be submitted by Saturday, 21 January 2017 to nayoung.won@yale-nus.edu.sg.** Skype interviews with the OSGF will take place in the week of 23 January.
