26th August 2015

**Yale-NUS
Centre for International and Professional Experience**

Good afternoon from CIPE!

The semester is off to an amazing start already. Last Saturday, we were so thrilled to hear about the adventures and learning that returning students experienced as they presented at the first annual **Summer Symposium**. Films, sharing sessions, written and photographic reflections and research presentations not only showcased the work of Yale-NUS students but also broadened all of our horizons. On Monday, first-year students got their Week 7 assignments and all of us at CIPE are excited about this year's absolutely terrific projects.

As you'll see from this newsletter, we're not slowing down in terms of CIPE activities. Do note that there is a Study Abroad session **tonight at 6:30 pm** and that the deadline to apply for this semester's Leadership courses is this **Friday**.

Below, you'll find many other opportunities related to careers, your course of study and fellowships. As most of you know, we work hard to bring a wide range of possibilities to Yale-NUS students and we are always interested in hearing from you about what you need. For those of you who are from the Class of 2019, we are looking for a couple of you to join the CIPE team as a member of the Student Advisory Committee (SAC). Applications are due this **Friday**.

Speaking of the CIPE staff, none of this would be possible without their incredible work. We are very pleased to welcome new members of the team, **Nayoung Won** will be working in Career Services, **Beth Uding** and **Goh Fang Wei** will be with the International Programs team and **Tan Yock Theng** has joined the Leadership & Global Citizenship team. Our biggest transition news is the departure of **Fiona Kanagasingam** who will depart on September 4th. Fiona has of course been an amazing member of the CIPE team but she has also played the role of connecting CIPE to all of the units and departments on campus. As Acting Dean of CIPE over the summer she made sure that everything ran smoothly and the transition was seamless, for which I am utterly grateful. We will miss her as a member of the team and as a friend but we look forward to hearing about her adventures as she makes her mark in New York.

Trisha Craig
Dean of CIPE
