STUDENT EXTERNAL PRESENTATION AWARD (SEPA)

SECTION 1: OVERVIEW

1) What is the Student External Presentation Award?
SEPA provides financial support to Yale-NUS students who would like to present their work outside of the college. SEPA strongly encourages co-presentation or co-authorship between students and faculty.

2) What does the Student External Presentation Award support?
SEPA covers expenses related to student participation in Conferences, Festivals, Performances, Exhibitions and Publications. These expenses may include travel, housing, presentation aids and production supplies, and related expenses.

3) What is the level of funding support under this scheme?
The level of funding support is capped at:
   **up to S$3000 per academic year and student.**
   On average, we expect to award around 5 awards per academic year. SEPA will range from S$200 to S$3000 per application. The actual amount depends on:
   - The strength and rigor of the proposal;
   - Ability to execute the proposed project;
   - A realistic and responsible estimate of the budget;
   - Connection between the presentation opportunity and student’s medium to long-term intellectual and/or professional goals;
   - Availability of funds from the award.

SECTION 2: ELIGIBILITY

4) Who is the student presentation award for?
SEPA is open to:

- All Yale-NUS students, with priority given to Juniors and Seniors.
- Students may apply for the award as individuals or as a group.

- Students on a Leave of Absence when the project /conference is due are not qualified to apply.
